ROOM REQUIREMENTS (Please tick)

single double twin share

Delete as applicable:

a) I wish to share with: (name)
b) I would like to share a twin room if possible. However, I am willing to pay the single supplement, if there is no suitable person to share with.

SPECIAL REQUESTS (e.g., dietary needs, help with access, land only, etc.):

INSURANCE

We insist that all travellers hold travel insurance policies for your own protection, in case you have to cancel the holiday, or in case of loss or accident on the tour. Those not resident in the U.K. must obtain travel insurance from the country of residence. Please enter your insurance details below.

Company: Policy No.:

Effective dates: Insurance Company's Emergency Telephone No.

To purchase travel insurance, we advise that you consult your regular insurance broker as there are many different products, e.g., travel insurance can often be arranged as an extension of one's home insurance policy. Remember that if you travel more than once a year it is usually cheaper to purchase an annual policy rather than separate policies for each trip. If your credit card covers you for travel insurance, please check details and conditions carefully.

ADDITIONAL CONTACT

Please give an additional contact in the unlikely event of an emergency.

Name: Telephone:

PAYMENT

Please send your deposit as specified in the tour details, together with your booking form to Eastern Approaches. On receipt of your booking form, you will be invoiced for the full payment. This should be paid at least 8 weeks before departure. NOTE: On receipt of your booking we offer a two week "cooling-off" period, after which the deposit is non-refundable.

BY CHEQUE:

I enclose a cheque for a total of £.....
(cheques to be made payable to Eastern Approaches)

BY CREDIT / DEBIT CARD: (Note: there is a 2% surcharge for credit card payments; there is NO surcharge for debit card payments). I authorise Eastern Approaches to make the following charge:

Type of card CREDIT / DEBIT (please circle) Amount £

Card Number

Expiry date (mm/yyyy)

Card Verification Number

Notes for your convenience

- 1. Please note that if your travel insurance is tied to a credit card, you may find that it is important to pay the deposit and the full cost of the holiday by the same method.
- 2. For payments from outside the U.K., credit card payments are welcome. However, the most reliable and efficient method of payment is by sterling cheque issued by your own bank.

I have read the conditions and agree to the terms.
